## TUITION

Most Holy Trinity Catholic School welcomes all families to attend Sunday Mass and become members of Most Holy Trinity Parish. We do encourage all families to attend Mass where they feel most comfortable, and understand that need to belong to a parish of your choice without feeling the sting of increased tuition as a result. Families who are registered, active and participating members of their parishes will be considered for the Active Catholic reduced rate. Documentation of active membership **must** be presented at the time of registration in order to receive the Active Catholic rate. The Active Catholic tuition rate is not retroactive. Criteria used to determine active membership may vary by parish. Families who are not registered, active, and participating members of a parish will be required to pay the Non-Active Catholic/Non-Catholic tuition rate for each student enrolled at our school.
