REGISTRATION REQUIREMENTS

For successful registration of your child(ren) at MHT a certified/original copy of their birth certificate, their current immunization record and if applicable, their original sacrament certificates are required. Final consideration for grade level placement will be based on a screening determining academic and social readiness. (Kindergartners must be 5 years old before September 1st, and First Graders must be 6 years old before September 1st). Students in Grades First through Eighth are required to submit their most current report card and standardized test scores. An interview with the principal may be required in order to be considered for admission (letters of recommendation from the student's current principal, and teacher in addition to the student's most current report card/test scores are required for the interview).

Fees are due at time of registration

STEWARDSHIP

Stewardship is the cornerstone of our faith. By selflessly giving your time, talent, and treasure, you will ensure the continued success of our school and its impact upon those whom it serves. Working together in collaboration for the betterment of our community we model for our children the true nature of our faith and its commitment to the greater good of the whole. Throughout the course of the academic school year our community has several fund-raisers and service projects that are in need of your support to be successful. We humbly ask and encourage your participation in these events to ensure their success and subsequent effects regarding sustainability and improvements. Without stewardship we would be unable to offer to our students the many programs, events and enrichment opportunities currently available...and through increased participation we can do even more. Our Scrip Program is also another vehicle by which much needed funds to supplement our cost to educate can be raised. There is tremendous potential in this program to generate significant revenue as a result. We encourage all our families to use the Scrip program and a detailed explanation will be made available in the summer mailer.
