“As one family committed to Christ we are called to Learn, Love and Lead.”

TIME AND TALENT PROGRAM

Stewardship is the cornerstone of our faith. By selflessly giving your time, talent, and treasure, you will ensure the continued success of our school and its impact upon those whom it serves. By working together in collaboration for the betterment of our community we model for our children the true nature of our faith and its commitment to the greater good of the whole.

Throughout the course of the academic school year, our community has several activities, events, fundraisers and service projects that are in need of volunteers to be successful. Families who are active school community members volunteering their time and talents may receive a tuition discount.

Criteria used to determine the Time and Talent Program discount:

A minimum of 20 volunteer hours per school year will receive a discount of \$200;

A minimum of 40 volunteer hours per school year will receive a discount of \$400.

A listing of available opportunities, along with the Time & Talent tracking form, may be found on the MHT school website under the Parent Resource tab. Please routinely review the volunteer hours listing for updated opportunities. Each volunteer is responsible for contacting the appropriate party (in most instances the activity chairperson) to determine desired tasks and timelines necessary for completion. If an activity or event that you'd like to work on does not list a chairperson please contact the school office for additional information.

Time & Talent tuition discounts will be credited in December and April. Documentation, including the signature of the volunteer activity chairperson, using the Time & Talent hours tracking form must be submitted to the school office no later than December 15th or April 15th in order to receive the benefits of this program. All tracking forms and hours (20 hours or 40 hours) must have been completed before your tuition discount will be credited. A maximum tuition discount of \$400 may be applied for the current school year. Tuition discounts may not be carried over the school year and cash rewards are not eligible.

Without stewardship we would be unable to offer to our students the many programs, events and enrichment opportunities currently available...and through increased participation we can do even more.

We thank you in advance for giving of your time, talents and treasure in support of our school community; specifically teaching our children to be lifelong stewards.
